

WELCOME PARENTS!

We are excited to welcome your student to their Jewish home away from home! At Hillel we seek to create an open, inclusive Jewish environment for every student, and our staff will strive to ensure that everyone feels at home as a vital member of our Hillel family.

Parent contributions of any amount are critical for Hillel to engage, support, and inspire every Jewish student on campus. Your support helps us provide free Jewish programming, kosher Shabbat and holiday meals, leadership opportunities, and so much more!

For more information about ways to join the Parents Circle or get involved as a parent, read more [here](#).
